25X1A	the Luederspark barracks installation on Puschkin Strasse in Goerlitz was occupied by 50 to 60 soldiers who wore red-	
	bordered black epaulets. The barracks buildings were brightly lighted	
	at dusk. Four 57-mm AT guns were parked in the open and 8 trucks and 1 jeep under a lean-to roof in the billeting area. Except for athletics	
	no training activity was observed. One truck daily went to and returned	
	from, the slaughter house.	
2.	On 24 March, the Goerlitz komendatura was still on Ernst Thaelmann Strasse. Four AT guns, 5 trucks and 1 radio truck were as usually	
	parked opposite the Kaffeemuehle. 25X1	В
